Representatives from various state agencies will be in attendance to update on the latest changes and answer any questions you may have. The spring workshop provides valuable information essential to your position.

We hope to see you at our annual regional meeting on May 6th. Because many topics will be covered and time is limited, if you have any specific questions for the State officials, it would be helpful to have you send them to us ahead of time so that we can present a list of these questions to the officials in advance of the meeting. Also, remember that your town is obligated to pay for your attendance at this informative meeting.

Sincerely,

Betty Ramspott, Town Clerk, Sunapee (763-2449) betty@town.sunapee.nh.us
