Once again White Mountain Region and Lakes Region towns have joined forces and are holding their workshops together to help defray the traveling costs of our President and State Officials. This will also give you a chance to meet new faces from the other region. The spring workshops provide valuable information essential to your position, with Representatives from the Department of Safety, Secretary of State's office and Bureau of Vital Statistics to update you on the latest changes. We look forward to seeing you on June 12th.

Please reply no later than May 31, 2019. No refunds after June 7, 2019.
