

NEACTC NEWS!!!

1st Vice President, Andrea Kohler

The 2020 Conference Committee has been very busy planning the Annual Conference to be held at the North Conway Grand Hotel on November 17-20, 2020. This year is our fundraising year and the committee has been busy working on baskets that will be available at the NEACTC Conference in Rockport Maine. We are excited to offer great educational sessions and we are incorporating the 100th anniversary for the women's right to vote with our Athenian Dialog. The book is: #95 on the IIMC approved book list "The Women's Rights Movement in the United States" by Eleanor Flexner. Dawn Michanowicz will be our facilitator.

So if you are working towards your CMC or MMC, attending the conference is great opportunity to earn points towards these designations. Also, it's a great way to network with other clerks from the New England area or catch up with your NEMCI friends. It is the committee's hope that you will support us as we host the conference in 2020.

We are always looking for volunteers. If you are interested in giving us a hand, please contact me.

ANDREA J. KOHLER, CMC, CTC
