

## Process for Producing a Long Report Tape from Accuvote Machines.

When the polls have closed and the *Ender Card* is placed through the Accuvote Machine, a report will print out automatically. **This is not the report that is desired.** Let the automatically generated report run all the way through and when the Accuvote Machine asks whether another copy is needed, shut off the Accuvote Machine. Turn the Accuvote Machine back on. The Accuvote Machine will then ask a series of questions to be answered.

The questions are:

1. Reprint elections results report? Answer: **NO**
2. Send results by telephone? Answer: **NO**
3. Send results by direct mode? Answer: **NO**
4. Print elections totals report? Answer: **YES**
5. Print long report? Answer: **YES**

This is the process that must be followed in order to have the Accuvote Machine generate a long report that will distinguish **Democratic** ballots cast from **Republican** ballots cast.
